SUBJECT.

Re the location of a Chattram at Chunchinkatte, Yedatore Taluk.

From

The Deputy Commissioner, Mysore District.

Letter No. 430, dated 29th April 1907

In the Dasara Representative Meeting held in 1906, it was urged that a feeding Chattram might be established at Chunchinkatte in the Yedatore Taluk, and that if that was not possible, the tasdik of the Hansoge Chattram might be increased and the same transferred. The Deputy Commissioner of the Mysore District was ~~thereupon~~ called upon to report whether the existence of a Chattram at Chunchinkatte was a real necessity and if so, to submit his proposals therefor

(2)

File No. of Muzrai Secretariat.

The Deputy Commissioner has now submitted his report. From the Vernacular papers received therewith, it is observed that the Amildar of the Yedatore Taluk reported that during the time of the annual Jatra at Subrahmanya, the Chatrams at Bhoonja need to be transferred to Chunchinkatte but that such transfer operated to the inconvenience of the travellers going there through Hassan and other places. He further reported that not less than 8 to 10 ~~persons~~ pilgrims on an average visited Chunchinkatte every day, that the original grant ~~of Rs 30~~ at Rs 12/- p.m. ~~per annum~~ sanctioned for Dadhyodana Naivedyam and distribution of the same as detailed in the other ~~note~~ Office Note having been exhausted, the pilgrims find their stay at Chunchinkatte very inconvenient, and he accordingly recommended that Rs 20/- and Rs 18/- per mensem might be withheld from the tasdiks of the Yedatore and the ~~Head~~ Hanasoge Chatrams, and Rs 22/- sanctioned from the State Grant, and the total amount Rs 60/- might be utilised for the feeding

at Chunchinkatte. He further stated that there were 8 servants in the Hansoge Chattram, that so many of them having no work there, 3 of them, viz the Shanbhogue, Pancharak and Potter, might be asked to do work at Chunchinkatte and the feeding immediately begun and conducted in the Chattram built by Mr. Nair Narayana Rao at Chunchinkatte.

As regards the construction of a Chattram at Chunchinkatte, the Amildar stated that out of the savings of Rs 11 thousand odd of the Sri Ramadevaru temple, Rs 10 thousand might be utilised for the construction of a Chattram with a number of shops in front of it.

The Deputy Commissioner however, having asked the Assistant Commissioner as to whether the Chattram at Hansoge might not be temporarily transferred to

File No. of 190 | Muzrai Secretariat.

Chunchinkatte, the Assistant Commissioner has reported that the Amildar is of the same opinion and that he agrees with him therein. The Deputy Commissioner ~~has~~ therefore recommends the shifting of the Hansoge Chattram to Chunchinkatte as a tentative measure for a period of 2 or 3 years, and states that the question of transferring the same permanently may be considered after the expiry of that period.

//

During the ~~inspection~~ visit of the Muzrai Secretary to Chunchinkatte on the 10th April last, the above facts were brought to his notice and he was of opinion that the site ~~selected~~ for the Chattram, which had been selected near the Musafirkhana opposite the Sri Ramadevaru Channel, was a very good one, but that the construction of the row of shops in front of the Chattram was unnecessary

Muzrai Secretary's Remarks:-

A separate building for a chattram and the introduction of feeding therein are no doubt necessary in an important place of pilgrimage like Chunchankatte. But the construction of a new building may, I think, be deferred for the present because the cost involved will be something like Rs. 10,000/-, and because there is already a private chattram at the --- place belonging to one Naib Narayana Rao of Mysore.

I have seen Chunchankatte and both upon information and personal observation, I found that at least half a dozen persons halt at that place every day for worshipping God at the sacred temple there, and very large numbers assemble there during the time of Jatra. Feeding on a small scale may therefore be introduced at the place using Naib Narayana Rao's -- chattram for the present. For carrying out this purpose the transfer of the Tasdik and the establishment of the Honsoge chattram, as proposed by the Deputy

Commisioner, may be sanctioned as a temporary measure for one year, reducing the existing large establishment of 8 persons to 3 or 4. Proposals in this behalf may be called for from the Deputy Commissioner.

The above orders were conveyed in Pro: No. 891-2, dated 4th August 1907, directing the introduction of feeding in Naib Narayana Rao's Chattram building at Chunchinkatte with the tasdik and establishment of the Hansoge Govt. Annapatham. The Deputy Commissioner was requested to submit proposals in the matter of reducing the establishment of the Chattram.

The Deputy Commissioner's reply has now been received. From the papers submitted, it is observed that the Hansoge Chattram has 8 persons as noted in the margin costing Rs 14-5-0 and 210 seers of rice with condiments per mensem. The Amildar Mr. N. Rama Rao, proposes (1) to do away with the appointments of Shanbhogue, ~~Shanbhogue~~ Gandhakshite and Sollar as all these duties can be performed by the Parpattegar who will be responsible for the timely submission

Parpattegar	1-3-0.	28 seers of rice with condiments
Shanbhogue	1-3-0	do
Sollar	1-3-0	do
Cook	3-10-0	do
Paricharak	3-10-0	do

of accounts;

(2) to retain the Devatarchane man for worshipping the Sri Anjaneyaswami idol in the old Hansoge Chatram building;

(3) to abolish the system of distributing rice and condiments to servants and to substitute salaries instead, ~~except in the case of the Devatarchane man who occupies~~ and permitted except in the case of the Devatarchane man who may be are meal in the Chatram ~~cooked~~ given an allowance of 28 seers of rice with condiments for the daily offering to the idol.

The Amildar estimates the net result of the proposed changes as follows:—

Cash disbursement of Rs 22-14-0 and 28 seers of rice with condiments as per new scale, as against Rs 14-5-0 and 210 seers as per old scale. Setting off the increased cash disbursement of Rs 8-9-0 against the cost of 182 the excess seers of rice with condiments amounting to Rs under the present contract rate of Rs 43-10-10, there will be a saving of Rs 35-1-10

The proposed scale will be as follows:—

1. Parpattegar — Rs 7-0-0
2. Cook — 6-0-0
3. Paichanath — 6-0-0
4. Devatarchane — 1-14-0 with 28 seers of rice.
5. Jhadmali — 2-0-0

22-14-0 with 28 seers of rice with condiments.

The Amildar reports that all the above persons are indispensable.

Muzrai Secretariat. | File No. of 190

as per new scale.

The Amildar further says that the old Chavadi building at Hansoge may be let out and thus made to pay for its own maintenance.

The Deputy Commissioner does not express any opinion on the proposals submitted by the Amildar. He merely states that if the proposed scale is adopted, it is a matter for Govt. to consider as to how the present Shanbhogue, Gandhakshitepuran man and Sollar, whose appointments are proposed to be abolished, should be provided for.

Note continued

From page 6 of this note, it will be seen that the Hansoge Chattram was ordered to be transferred to Chunchunkatte, Yedatore Taluk. Orders were accordingly issued in Govt Pro: No. 891-2, dated 4th August 1907 The Hansoge chattram building is now vacant. The President of the District Board, Mysore District, proposes in his letter now under disposal that the vacant buildings may be transferred to the District Fund Board, so that it may be converted into a musafirkhana and made available for the pilgrims going to Udipi, Subrahmanya &c, who find Hansoge a convenient halting place. He adds that the chattram building being a large and spacious one, it is likely to go to ruins if proper care is not taken of it, and states that if his proposal to transfer

the buildings of the District Fund Board be sanctioned, he would move the Govt in the General department to sanction the entertainment of a care-taker on Rs 5 per mensem.

Subd. faraden — The building ~~up~~ - ~~upstood~~ is not wanted by the Muzrai dept for its purposes & the question is as to how the building should be disposed of. Strictly speaking so far as the muzrai funds are concerned the best course would be to sell the building for what it is worth & credit the proceeds to the chatram funds. It is however doubtful if a fair price could be fetched if the building is sold & it is also doubtful if the Dt Board would care to buy the building

for conversion into a musafir-khana. In the circumstances the building may be made over to the D+ Board for upkeep as a Musafirkhana on the condition that the building should be restored to the Muzrai Dept in case it is required for Muzrai purposes at any future time.

As regards the other two servants recommended to be thrown out of employment he states that the Gollar has put in a service of 20 years and Gandhakshike man 18 years, and recommends that Rs 23-12-0 and Rs 20-3-0 may be sanctioned to them respectively as gratuity and the amounts paid from out of the funds of the Sri Rama Devaru temple at Chunchinkatte, as there are no funds at the credit of the chathram.

costing Rs 14-5-0 and 210 seers of
rice with condiments per mensem.
~~The present Amildar Mr. N Srinivasa Rao~~
~~and his predecessor Mr. V Rama Rao,~~
The Dy Commr proposed (1)
~~to purchase~~ to do away with the
appointments of Shanbhogue, Sillar
and Gandhakshike and to entrust
the duties there of to the Parpattegar
who should be held also responsible
for the timely submission of accounts;
(2) to retain the Devatarchane man
for worshipping the Sri Anjaneyaswami
idol in the Hansoge chattram building
and to give him in addition to his pay,
an allowance of 28 seers of rice with condiments
per mensem for the daily offering to the idol; and
(3) to do away with the system of distributing
rice and condiments to the chattram
servants employed in Chunchunkatte.
The net result of the above proposals
will be that against an increased in
disbursement of only Rs 8-9-0 per
there will be a decrease of

182 seers of rice and condiments per mensem. ~~The Deputy Commissioner recommends the proposal.~~

2 Under the circs reported, the Deputy Commissioner's recommendation is sanctioned. The Establishment of the Chattrams as now sanctioned will be as follows:—

Designation.	Pay per mensem.
1. Parpattegar . . .	Rs 7-0-0
2. Cook	6-0-0

3. The Deputy Commissioner further reports that the present Parpattegar Sreenivasiah has tendered his resignation and that the present Shanbhogue has been attending to the former's duties and that therefore there is no necessity to give any gratuity to the Parpattegar

He further states that the present Gollan and the Gandhakshike man have put in 20 and 18 years of service respectively, and recommends that a gratuity of Rs 23-12-0 and Rs 20-3-0 at the rate of one month's pay for each year of their completed service may be sanctioned to them and the amounts paid from the funds of the Sri Rama Devaru temple at Chunchinkatte.

4. As it is reported that there are no savings at the credit of the Hanuman Chattram in question, the Govt. regret that as it is objectionable to use the funds of another institution for this purpose that the full amount of the gratuity recommended cannot be granted. That no can be given to the 2 servants now thrown out of employment, they are however pleased to sanction an ex-gratia of 3 months' pay to each of them in lieu of notice of their removal, the charge being met from the savings available at the credit of the Sri Rama Devaru at Chunchinkatte. The Sheristadar has to inquire who is attending to the

Parpattegar's duties, may, the Govt if observe, be appointed Parpattegar of the Chathram.

6 The Deputy Commissioner is requested to submit a report as to the action taken in the matter.
